Hakkımızda (About Us)

Firmamız, kurucularımızın 10 sene dış ticaret tecrübesi ve 5 sene sektör tecrübesi sonrasında 2016 yılında Samsun'da kurulmuştur. Bu tarihten itibaren cerrahi el aletleri branşında ithalat ihracat danışmanlığıyla başlayan serüvenimiz sonunda İNSİDEMED markasıyla üretici olma gururuna ulaşmıştır. Üretim politikamız; sektörel deneyimlerimiz ve ikili müşteri ilişkilerimiz sonucunda tüm cerrahi branşları kapsamıştır.

Hedefimizde öncelik kalitedir. Bu doğrultuda ürünlerimizi sadece Türkiye'de değil hedeflediğimiz tüm pazarlarda , başarıyla tanıtma yolunda özveriyle çalışmalarımızı sürdürmekteyiz.

Üretim kapasitemiz sadece bu katalogdaki ürünlerle sınırlı değildir. Binlerce çeşit arasından daha çok tercih edilen ürünleri bir araya getirmeye çalıştık.

After 10 years foreign trade and 5 years sectoral experiences of our founders, our company was founded in 2016 in Samsun. Since this date, our adventure which started with consultancy about import and export, has been continuing proudly as producer for surgical instruments as INSIDEMED brand. As a consequence of our sectoral experiences and bilateral customer relations, our production policy contains all surgical branchesas.

Our priority is quality. In this direction, we have maintained our works devotedly in introducing our products not only in Turkey but also in the international aimed markets.

Our production capacity is not limited to the products only in this catalog. We have tried to bring together more preferred products from thousands of varieties.
